GRUMETI SERENGETI TENTED CAMP

TANZANIA

FAMILY TRAVEL

The most luxurious camp in the Western Serengeti, &Beyond Grumeti Serengeti Tented Camp is inspired by Tanzania's annual Great Migration. A wild and remote experience in the midst of ample resident game, it is ideally situated on the banks of a tributary of the Grumeti River and enjoys a prime position near one of the most famous fording points of the wildebeest migration.

The camp lends itself to group and family travel in the form of two spacious tents that make up a family suite. The family suite is connected by an enclosed walkway, which allows easy access between the tents while maintaining complete privacy. Each tent has its own ensuite bathroom and a private veranda. The family suite can accommodate two adults and two children (three children can be provided for on special request).

WILDCHILD CHILDREN'S PROGRAMME

Children visiting the lodge can take advantage of the fun-filled and interactive WILDChild programme that offers various activities such as tracking animal footprints with a guide, joining a mouth-watering pizza party, bead work, making a fire the Maasai way, playing volleyball with the staff and for older children, spear throwing or shooting bows and arrows.

FAMILY SUITE CONFIGURATION	OCCUPANCY
1 family tent (2 tents in close proximity linked by an enclosed walkway)	Maximum 2 adults + 2 children (3 children on request).

“Get your children travelling early. Expose them to the people, the food and the real culture of your destination,”
