FAMILY TRAVEL

Majestically situated on the edge of the Kuka Hills, deep in a remote corner of the game-rich Serengeti National Park, &Beyond Klein's Camp consists of intimate cottages made of local stone and makuti thatch, with rich wooden floors and classic interiors.

&Beyond Klein's Camp is a fantastic destination for group and family travel. It boasts two spacious cottages that make up a family suite. The cottages are connected by a protected walkway, which allows easy access between the cottages while maintaining complete privacy. The family cottage can accommodate up to two adults and two children (three children can be accommodated on special request). Each cottage has an ensuite bathroom and private veranda with breathtaking views over the surrounding hills and the valley below.

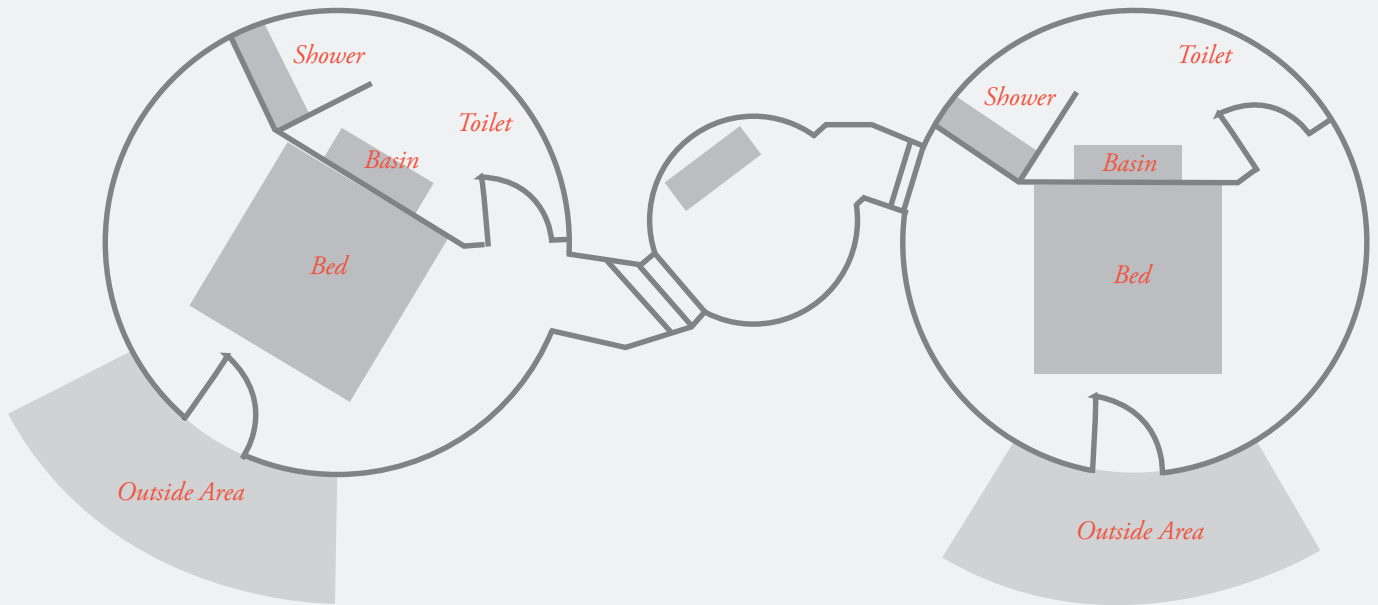

WILDCHILD CHILDREN'S PROGRAMME

Children visiting the lodge can take advantage of the fun-filled and interactive WILDchild programme that offer various activities such as taking part in a Maasai obstacle course that combines spear throwing, shooting bows and making a fire the Maasai way, enjoying a nature walk with a ranger, making a beaded bracelet, identifying animal tracks or baking delicious biscuits with the camp's chefs.
