NGALA SAFARI LODGE

Family Suite

SOUTH AFRICA

FAMILY TRAVEL

Travelling in Africa as a family is exceptionally rewarding and &Beyond Ngala Safari Lodge is a particularly good choice as a family destination. The lodge offers a two-bedroom family suite as well as the specially designed WILDchild programme for young guests.

Situated in the shade of a weeping boerbean tree on the banks of the seasonal Maponi River, the family suite consists of two ensuite bedrooms, as well as a cosy dining area where guests can choose to enjoy a private dining experience or a refreshing sundowner cocktail. The suite also entitles guests to the services of a dedicated butler, as well as a ranger and tracker team and a private safari vehicle.

The only guest suite at the lodge with views of the river, each room boasts its own private deck overlooking the shaded riverbed and even the bathrooms look out onto the dense riverside thickets. The addition of a fully sized private swimming pool ensures that both children and adults have a secluded place to cool off from the African sun.

The family suite can accommodate a maximum of two adults and two children.

WILDCHILD CHILDREN'S PROGRAMME

&Beyond's WILDchild programme, designed especially for children visiting our safari lodges and camps in Africa, is filled with fun, interactive activities that offer opportunities to learn and discover new experiences and cultures. Carefully supervised by expertly trained staff, WILDchild activities include a number of adventures designed to inform and educate young guests about the local culture and wildlife while keeping them entertained.
