PAPILIO

Vamizi Island, Mozambique

MOZAMBIQUE

Set among the Quirimbas Archipelago, in a marine conservation area off the coast of Northern Mozambique, the idyllic coral island of **&Beyond** Vamizi beckons to lovers of sun, sand and azure waters. Blessed with a tropical climate and offering immaculate powder-soft beaches that rival those of the Maldives, Vamizi is the perfect escape for families and groups.

Seemingly endless stretches of wild, deserted beaches lend themselves to quiet hour-long walks, as pristine Indian Ocean waters lap along the coastline, enticing snorkellers and scuba divers to explore its kaleidoscopic reefs. Tuck into a mouth-watering castaway picnic, toast the sunset from a traditional dhow, try your hand at deep-sea fishing and welcome the seasonal arrival of baby green turtles as they hatch from protected sites along the island. This a destination to be explored at your own pace. A setting to not only reconnect with loved ones but with yourself, and the opportunity to enjoy island living at its finest.

The waters surrounding **&Beyond** Vamizi Island boast some of the most significant and endangered habitats and wildlife in the western Indian Ocean, over 180 species of pristine coral and over 400 species of reef fish. They have been deemed one of the healthiest coral reef ecosystems in the world, drawing in diving enthusiasts from around the globe – most notably to Neptune's Arm, which features as one of the ultimate dive sites to explore. The island is also a sanctuary for mangrove forests, one of the earth's most threatened habitats.

&Beyond Vamizi Papilio, aptly named after a genus in the swallowtail butterfly family (or the Latin word for butterfly), is a tranquil haven decorated in delicate hues of cream, muted blues and light wood furnishings. Spacious beyond measure, this light and airy villa offers the ideal refuge for families and groups to reconnect. Set within three acres of verdant forest, Papilio has been designed around a "courtyard theme" with a blend of split-level living, cosy nooks for moments of reflection and luxurious rooms that urge guests to completely unwind on their well-deserved vacation.

The main guest areas include a roomy dining area where scrumptious tailor-made menus are served by a private chef, two large sitting rooms (one overlooking the beautiful pristine beach, and the other with a lovely open fireplace for those cooler winter evenings), a convivial bar area, sparkling swimming pool and private beach sala. In the evenings, guests can retreat to one of four spacious ensuite rooms, each with their own private deck and living area, whilst a further two ensuite rooms, built as "treehouses", can be accessed by a suspended walkway and are wonderful for adults and children alike. A deck sitting in the tree canopy links the two treehouses.
